Proposed Antelope-Pardee 500-kV Transmission Project

Affiliation (if any)*
Address*: 8537 Garthugh Ave

Telephone Number*: 818-884-8087
Email*: I would like to express my deepest opposition to the proposed Alternate 5 option for the placement of the power line.
I have family with small children who are currently building a home on Sepulveda Plateau - we are frequent visitors, I would be horrified if such power lines were going in.
We also love the Vasquez Rocks and their unobstructed beauty.
Please do not obstruct the beauty our family holds so dear.
Keep the lines on their original route.
