Dear Mr. Boccio and Ms. Kadota: We purchased our home in 1998 in Leona Valley and planted our cherry orchard of approximately 500 trees in 2000. We have six year old twin girls and five year old daughters. Leona Valley is our home, place of business, and where we choose for our children to attend school. Please be advised that we oppose the Draft EIR/EIS, due to the adverse effects it will have on our community, home, and business. We ask that the proposal not be implemented. If you should have additional questions or comments, please contact us directly.
