**Subject:**

PLEASE INSTALL THE POWER LINES UNDERGROUND, and NOT overhead. We are residents of Sun Lakes in Banning, and are very disturbed to think that this would even be considered. You have been told all of the reasons that this doesn't make any sense...PLEASE LISTEN TO THE PEOPLE!

- C37-1** Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative.
