### **Responses to Comment Set PG, PG&E Attachments F through J – Magnetic Field Evaluation**

PG-318 Please refer to Response to Comment PG-48.

### **Responses to Comment Set PG, PG&E Attachments K through O – Photosimulations of Proposed Transition Station**

See Response to Comment PG-282.

### **Responses to Comment Set PG, PG&E Attachments P through S – Photosimulations of Partial Underground Alternative**

See Response to Comments PG-279 to PG-309.

**Responses to Comment Set PG, PG&E Attachment T –  
Feasibility and Impact Issues Regarding the Underwater Crossing Around  
Lower Crystal Springs Dam**

See Responses to Comments PG-149 and PG-150.

**Responses to Comment Set PG, PG&E Attachment U –  
GGNRA Letter of March 21, 2003**

See Response to Comment PG-11.

**Responses to Comment Set PG, PG&E Attachment V –  
Photo of area north of Ralston Substation**

See Response to Comment PG-144.

**Responses to Comment Set PG, PG&E Attachment W –  
PG&E letter to CDHS on Draft EMF Report**

See Response to Comment PG-48.

**Responses to Comment Set PG, PG&E Attachment X –  
UC Berkeley Letter on EMF**

See Response to Comment PG-48.

**Responses to Comment Set PG, PG&E Attachment Y –  
Technical Memorandum Regarding San Andreas Fault Crossing**

See Response to Comment PG-30 and PG-119.
