Question Q.06:

Operation and Maintenance

Section 3.4 of the PEA indicates that the proposed Mesa 500-kV Substation would be staffed; however, Section 3.8 only refers to "Switching Center Personnel," "Substation Operations Supervisor," "System Operator," and "Maintenance Personnel." Provide a specific number of permanent staff that would be working at the proposed Mesa 500-kV Substation.

Response to Question Q.06:

The current positions at Mesa Substation are detailed in the table below. At this time, there are no plans to increase the total positions allocated. The number of people filling the positions varies with Apprentices, Trainees and Technicians positions being filled and movement out due to promotions and transfers.

	Positions
Substation Operations Supervisor (SOS)	1
Operators (System, Substation, Trainee)	22
Maintenance Supervisor	1
Maintenance Electrician (Electricians and Apprentices)	12
Technician Supervisor	1
Test Technicians (Supervising Technicians and Technicians)	8
Utility Persons	2
Total	47
