

California Public Utilities Commission

Draft EIR Public Meeting for the Mesa 500-kilovolt (kV) Substation Project
May 18, 2016

Thank you for participating in tonight's public scoping meeting. We would like to hear your comments.

Note: Before including your address, telephone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from individuals identifying themselves as representatives or officials of organizations or businesses will be made available for public inspection in their entirety.
