<b>OFFICE BUILDINGS</b> Personal, Business, and Professional Services			Light Gray	Dark Gray	Black		
<b>COMMERCIAL</b> Retail, Movie Theatres, Restaurants			Light Gray	Dark Gray	Black		
<b>COMMERCIAL</b> Wholesale and Some Retail, Industrial/Manufacturing, Transportation, Communications and Utilities			Light Gray	Dark Gray	Black		
<b>MANUFACTURING</b> Noise-Sensitive <b>COMMUNICATIONS</b> Noise-Sensitive			Light Gray	Dark Gray	Black		

-  Satisfactory, with no special noise insulation requirements.
-  New construction or development should be undertaken only after a detailed analysis of the noise reduction requirements is made and needed noise insulation features in the design.
-  New construction or development should generally be discouraged. If new construction or development does proceed, a detailed analysis of the noise reduction requirements must be made and needed noise insulation features included in the design.
-  New construction or development should generally not be undertaken.
