Monterey Bay

Potential Subsurface Slant Well Locations
(Proposed)

Seawater Intake System Option A

Seawater Intake System Option B

MPWPCA Ocean Outfall (Existing)

CSIP Pond (Existing)

Monterey Pipeline (Proposed)

Salinas Valley Return Pipeline (Proposed)

ASR Conveyance Pipeline (Proposed)

Source Water Pipeline (Proposed)

Pump-to-Waste Pipeline (Proposed)

Brine Discharge Pipeline (Proposed)

MRWPCA Ocean Outfall Pipeline (Existing)

Desalinated Water Pipeline (Proposed)

Transmission Main (Proposed)

Transfer Pipeline (Proposed)

Monterey Pipeline (Proposed)

Salinas Valley Return Pipeline (Proposed)

ASR Conveyance Pipeline (Proposed)
