

Southern California Edison
Presidential Substation Project A.08-12-023

DATA REQUEST SET Presidential ED-03 (Part 3)

To: CPUC

Prepared by: Philippe Lapin

Title: Environmental Coordinator

Dated: 05/19/2009

Question 09 Follow-up:

Project Description

Provide EDR reports for Proposed Substation Site and subtransmission routes for hazardous materials analysis.

Response to Question 09 Follow-up:

By "EDR Report" SCE understands that the request is for the Phase I Report for the substation site. The Phase I Environmental Site Assessment can be found at Appendix F of the PEA. In addition, SCE has requested a Phase I Environmental Site Assessment for the subtransmission routes with an anticipated delivery date in late July 2009.

Update: The July 2009 EDR reports for the subtransmission routes, including the alternatives, is attached
