¹⁷ On April 21, 2008, CARE files due process action in Fed. Dist. Ct. alleging CPUC's failure to provide adequate notice on ALJ-184 and all subseq. proceedings that negatively impacted Volker's rate calculation. 10/27/10 US Court of Appeal 9th Circuit denied CARE's appeal of the District Court (Northern California) decision dismissing CARE's complaint with prejudice.

¹⁸ On June 12, 2009, CARE filed Application for Rehearing challenging this rate. D1203028 denied rehearing of D0905011, as modified. Volker's hourly rates adopted in D0905011 were not modified.

¹⁹ See, previous footnote re: this rate.
