

## **E-1. Comments from the Applicant – Southern California Edison Company on the Draft EIR**

This section provides revised responses to comments from the Applicant, Southern California Edison Company, on the original Draft EIR (December 2007) during the comment period of December 12, 2007 through January 25, 2008, as listed in Table 3-1. Only those responses that required updates are provided herein. All other responses are provided in the original Final EIR (April 2008). Revisions to responses provided in the original Final EIR (April 2008) are shown in ~~strikeout~~ for text deletions and underline for text additions.

Please note that revisions to original Draft EIR (December 2007) text are also shown with ~~strikeout~~ for text deletions and underline for text additions. These text revisions are shown as excerpts from the original Draft EIR as denoted by quotations. In general, these text edits were previously included in the Final EIR (April 2008), Section 4, Revisions to the Draft Environmental Impact Report; therefore, a reference has been added in brackets to refer the reader to the Final EIR (April 2008), as appropriate.
