Subject: Power lines in Sun Lakes

I urgently request that these power lines be placed underground. There are serious health issues concerning overhead power lines and their placement on Sun Lake's golf course will devalue property.

C21-1

Sincerely,

Diane Stone

- C21-1** Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative. Also, please see original Draft EIR (December 2007) Sections D.7 (Hazards and Hazardous Materials) and F.2.2 (Property Values).
