Subject:

We feel strongly that all electric lines passing through Sun Lakes Country Club should be placed underground.

Responses to Comment Set C29 – Jack L. and Shirley E. Hyslop

- C29-1** Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative.
