Subject: power poles

We want to urge you to put the power poles going through the Sun Lakes golf course in Banning, underground. Not only will it be unsightly if above ground, it is dangerous.

- C47-1 Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative. Please also see original Draft EIR (December 2007) Sections D.7 (Hazards and Hazardous Materials) and D.12 (Visual Resources) regarding safety and aesthetic concerns.
