Subject: Sun lakes Country Club Electrical Lines.

Mr. and Mrs. Thomas Meyers Feel that your power lines should be UNDERGROUND as oppose to being a REAL possible HEALTH RISK to many seniors. With that aside, it will also, defininetly bring our property values down.

C57-1

Thank you for your attention to this request.

Sincerely,

Tom and Mary Lou Meyers.

- C57-1** Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative. Also, please see original Draft EIR (December 2007) Section D.7 (Hazards and Hazardous Materials) regarding health concerns.
