**Project Description**

**PD-1**        The mapbook indicates SCE tax parcels along the proposed route. However, in order to clarify land rights and ownership, please describe SCE's current land rights and who owns the remaining SCE transmission line ROW not in SCE fee ownership.

**Response to Question PD-01:**

Pursuant to a March 10, 2014 conference call (with SCE and Aspen) and subsequent email discussions regarding this subject, SCE was able to clarify the land rights and ownership information that was included in the GIS files.
