<b>A description of any efforts made to recruit WMDVBE suppliers of products or services in procurement categories where WMDVBE utilization has been low, such as legal and financial services, fuel procurement, and areas that are considered highly technical in nature.</b>		

Although Wild Goose has only recently implemented its Supplier Diversity Program, it recognizes the fact that there are a number of procurement categories where utilization of Supplier Diversity vendors has been historically low. As Wild Goose's program implementation progresses, we will continue use our best efforts to identify vendors in these low-use areas and include them in our procurement efforts.

<b>WILD GOOSE STORAGE LLC</b>	<b>2011</b>	<b>G.O. #156 Sec. 10.1.2</b>
<b>A description of WMDVBE program planned for the next calendar year.</b>		

**Internal program activities**

---

Wild Goose has only one operating facility in California; the main storage site in Butte County. Procurement activities are extremely limited here with annual discretionary purchases for plant operations for 2011 expected to be approximately \$8,000,000 which represents only around 8% of purchasing dollars committed for goods and services. This does not justify employing a full-time procurement specialist so the day-to-day purchases have been assigned to three operations personnel. The Procurement Coordinator, in conjunction with the Plant Superintendent will continue to work on due diligence issues with the Superintendent as far as making the local supply network aware of various materials and service opportunities

**External program activities**

---

Wild Goose will acquire and continue its membership in Supplier Diversity trade associations in the Sacramento Valley area, such as the Sacramento Regional Business Partnership and the Sacramento Hispanic, Asian and Black Chambers of Commerce. The Wild Goose facility will continue to strive to support programs of diversity. The Procurement Coordinator will educate and work with the owners to continue to develop and enhance the diversity program at the Wild Goose Facility.

<b>Plans for recruiting WMDVBE suppliers of products or services where WMDVBE utilization has been low, such as legal and financial services, fuel procurement, and areas that are considered highly technical in nature.</b>		

Wild Goose will monitor expenditures in these subject categories where utilization of diverse suppliers' has been historically low. Initially we will monitor accounting reports in order to identify the magnitude of expenditures in these areas and determine if our efforts may have a tangible impact. Although we hope to take advantage of opportunities in these areas, it is our intent to focus our supplier diversity efforts where we can maximize our expenditures with verified suppliers regardless of category.

<b>WILD GOOSE STORAGE LLC</b>	<b>2011</b>	<b>G.O. #156 Sec. 10.1.5</b>
<b>Plans for encouraging both prime contractors and grantees to engage WMDVBES in subcontracts in all categories which provide subcontracting opportunities.</b>		

Wild Goose has supplied prime contractors with pamphlets provided by Supplier Clearinghouse and with a copy of G.O. 156. Wild Goose will encourage its prime suppliers and contractors to contact the Office of Small and Minority Business for a list of certified Disabled Veterans not currently verified by the Clearinghouse. The program administrator will continue to assist plant personnel that have procurement authority to encourage prime contractors to include verified minority suppliers.

<b>WILD GOOSE STORAGE LLC</b>	<b>2011</b>	<b>G.O. #156 Sec. 10.1.6</b>
<b>Plans for complying with WMDVBE program guidelines</b>		

Wild Goose senior management is fully committed to supporting the company's Supplier Diversity Program. The company will strive to comply with the provisions and requirements of G.O. 156 and will work with the CPUC in the ongoing implementation of program goals and objectives. The procurement coordinator will continue to work with management and field operations to ensure that they understand the goals of the program and will ensure that a plan is in place to support and develop the Supplier Diversity Program. The activities surrounding this program have allowed Wild Goose to move from almost no minority spend three years ago to over 5%.
