CPUC LOBBY - 505 VAN NESS AVENUE, SF, CA 94102

Notice of Intent to Award

For Secondary RFP 17PS5007

AT&T AND FRONTIER CA NETWORK EXAMINATION

We received two (2) proposals filed on time. One (1) of the two proposals was deemed a non-responsive bid. One (1) proposal continued into phase I, phase II and phase III of the scoring process.

**The California Public Utilities Commission intends to award this
Secondary RFP 17PS5007 to the highest scored proposal:**

ECONOMICS AND TECHNOLOGY, INC.

The results of the scoring are as below:

<u>Evaluation Process</u>	<u>Economics and Technology, Inc.</u>
Phase I – Technical (100 max.)	70
Phase II - Interview (100 max.)	75
Total Non-Cost Score	145
Phase III – Cost (100 max.)	100
DVBE Incentive	-
Small Business Incentive	-
TOTAL SCORE	245

Pursuant to California Law and Section 13 page 30 of the Secondary Request for Proposal, this notice is posted at least 5 working days prior to the award, which is scheduled to occur on January 22, 2018.

The Five (5) day Protest Period is Friday 1/12/2018 through Monday 1/22/2018 9:30 AM PT.

The Public Utilities Commission would like to thank all the participants in this process and encourages everyone to continue participating in future bidding opportunities.
