

# California Public Utilities Commission

## JULY 11, 2018

# PUBLIC PARTICIPATION HEARING

### PG&E Gas Transmission and Storage Rates and Gas Cost Allocation Requests – San Francisco

We are holding information sessions and public comment forums related to PG&E's request to increase rates and reallocate costs to its customers as part of its Gas Transmission and Storage Rate Case and its Gas Cost Allocation Proceeding, respectively.

**1 p.m. and 6 p.m. Information Sessions**

**2 p.m. and 7 p.m. Public Comment Forums**

Hope to see you there!

*The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.*

You are invited,  
San Francisco!
