

California Public Utilities Commission

JULY 17, 2018

PUBLIC PARTICIPATION HEARING

PG&E Gas Transmission and Storage Rates and Gas Cost Allocation Requests – Oakland

We are holding public comment forums related to PG&E's request to increase rates and reallocate costs to its customers as part of its Gas Transmission and Storage Rate Case and its Gas Cost Allocation Proceeding, respectively.

2 p.m. and 7 p.m. Public Comment Forums

Hope to see you there!

The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.

You are invited,
Oakland!
