Presents

GREEN ECONOMY PARTNERSHIPS

Keynote Speaker & Moderator

Gavin Newsom

Lieutenant Governor
State of California

This Thought Leaders discussion will explore how strategic relationships between government, utilities, the private sector, and investors play a critical role in shaping a cleaner, greener, more sustainable economy.

- Such partnerships create investment opportunities, expedite the deployment of new technologies, and train a workforce ready to deliver hi-tech services in the energy market.
- Our expert panel will share past experiences and future opportunities to leverage capital investment, technology innovation and policy regulation to create stable markets that deliver a cleaner, greener future for California.

PANELISTS

Nancy Pfund, Managing Partner, DBL Investors

Doug Avery, CALCTP Manager, Southern California Edison

Tim Rainey, Executive Director, California Workforce Investment Board
