

Consider Employment at the California Public Utilities Commission

January 2013

The California Public Utilities Commission (CPUC) welcomes qualified candidates to join its diverse team and help implement its mission to protect consumers and provide safe and reliable utility service and infrastructure. The CPUC has served California for more than 100 years and is recognized for its innovative policies, initiatives, and programs. The CPUC is modernizing regulations, from pipeline safety to the electric grid, and invites interested candidates to join this effort.

For career opportunities and application information, please visit the CPUC's employment webpage at www.cpuc.ca.gov/PUC/jobs/ or contact the CPUC at:

California Public Utilities Commission
Recruiting Department
505 Van Ness Ave., Room 3008
San Francisco, CA 94102

Phone: 866-652-3977 or 415-703-1902

Fax: 415-703-1737

Email: cpucrecruiter@cpuc.ca.gov

The CPUC invites you to explore opportunities in which you can become a part of a progressive and influential regulatory team that actively creates, improves, and enforces policies that matter to the lives of Californians. Through the work done at the CPUC you can protect consumers, the environment, the economy, and help to establish innovative regulatory policies!
