# 50% DISCOUNT ON ADVANCED COMMUNICATION SERVICES

## What is the California Teleconnect Fund?

The California Teleconnect Fund (CTF) is a state program that provides a 50% discount on advanced communication services, such as broadband internet, to qualified non-profits. Administered by the California Public Utilities Commission (CPUC), the purpose of this program is to facilitate access to more advanced communications through a discounted rate.

## Who is Eligible for the Discount?

Many types of organizations located in California are eligible:

1. Non-profit organizations that offer one of the following services to the surrounding community:
  - Educational Services
  - Job Placement and/or Training
  - 2-1-1 Referral Services
  - Computer and Internet Training
  - Health Care
2. Government-owned and Operated Hospitals and Health Clinics
3. K-12 Public and Non-profit Private Schools
4. Community Colleges
5. Libraries

## What is Covered by the Discount?

The following types of communication services are eligible for a 50% discount in the CTF program:

- T-1 and T-3 Lines
- Cable Internet
- Digital Subscriber Line (DSL)
- Wireless Internet  
(data plans, wireless internet cards)
- Dial-up

*Please inquire about other services that may be eligible for the CTF discount.*

## How Does My Organization Apply?

All you need to do is download the application at [www.ctfprogram.org](http://www.ctfprogram.org) and submit. If any additional information or clarification is needed on your submitted application, you will be contacted by the CPUC and have 30 days to respond. However, the CPUC will immediately reject applications without the required documents.

When your organization is approved, you will be required to notify your service provider before discounts can be applied to your bill.
