Re: 30-day Limit to Respond to Deficiency Letters

Starting Monday, October 3, applicants to the California Teleconnect Fund (CTF) program who receive a deficiency letter from the Communications Division (CD) must respond to the letter within 30 days of the date on the letter. If the applicant fails to respond, its application will be rejected. Once the application is rejected, the applicant will have to re-apply to the program. Please advise your prospective CTF customers about this new process.
