The Reports fall within Commissions GO 66-C and PU Code § 583. These statutes address public inspection of reports filed with the Commission. Reports are public records and, as such are open to public inspection unless they are within the exclusions of GO 66-C or exempted under the California Public Records Act (Government Code Section 6250 et seq.). Records exempted from public inspection may be made public on a case-specific determination by the Commission that the public interest in withholding those records clearly outweighs the public interest in disclosure. (See Section 6254 (a) of the Government Code).

If you request confidential treatment, file one copy of the full and complete version of the report and one copy of the report with the claimed confidential information removed and the term REDACTED inserted in the blank area.

Requests by the public to review documents, for which confidential treatment has been requested, shall be handled pursuant to GO 66-C.

Failure to file these reports on time may result in a penalty as provided for in PU Code §§ 2107 and 2108.

If you have any questions, please contact Ms. Llela Tan-Walsh at (415) 703-5213. This notice and the Report Forms are also available at Commission's website:
