VAI ELECTRONIC MAIL

Ms. Hagler:

Under the California Public Records Act § 6250 et seq., I am requesting electronic copies of the following public records: all emails and correspondence among any staff and commissioners involving the Southern California Gas Co. wells at Aliso Canyon in Porter Ranch. I am interested in data from September 1, 2015 through today's date.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$30. This information is not being sought for commercial purposes.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.
