

Digital Divide Grant Program (DDGP) - Eligible Schools

Last Updated: 9/21/2022

This list is meant to serve as a preliminary guide. Applicants should independently verify the eligibility of schools based on the criteria set forth in Resolution T-17770. When reviewing applications, the DDGP will also re-evaluate the eligibility of proposed beneficiary schools. The DDGP may add schools to or remove schools from this list as new information becomes available. Please contact DigitalDivideGrantProgram@cpuc.ca.gov if you believe a school should be added to or removed from this list.

Due to modifications to the Free or Reduced-Price Meal eligibility criteria during the COVID-19 pandemic, the DDGP uses data from the 2018-2019 school year to assess eligibility instead of data from the most recent school year. The 2018-2019 Free or Reduced-Price Meal data is available at the California Department of Education's website: <https://www.cde.ca.gov/ds/ad/files/sp.asp>.

County Code	District Code	School Code	School Name	Percent Eligible FRPM	District Size	Urban/Rural
01	10017	0112607	Envision Academy for Arts & Technology	79.5%	Small	Urban
