California Advanced Services Fund (CASF) Adoption Account

Provides grants to increase publicly available or after-school broadband access and digital inclusion, such as digital literacy training programs.

Welcome and Introductions

What is being covered? Introductions of Commission Staff

Account email: casf_adoption@cpuc.ca.gov

Overview of the Program – what is funded

- Education and outreach efforts and materials
- In Classroom and Take-home computing devices, computer software, printers, and hot spots (non-residential only)
- Technical support
- Desks and chairs
- For Digital Literacy Projects, curriculum preparation and distribution

- Network routers, switches, modems, and cabling deployed for the purpose of establishing a space for broadband access or digital literacy
- Staffing including digital literacy instructors, staff for monitoring the designated space, or staff for administering call centers
 - Administrative costs

Overview of the Program – Expectations

- Grantees have a maximum of six months to complete a ramp up period a ramp up period is not required
- Grantees have a maximum of two years to complete their projects
- Grantees can complete early if they have met their program goals
- Grantees are required to submit a year 1 and year 2 report, and a ramp up report if the grantee has a ramp up period

- Grantees can ask for a maximum of three payment requests a last payment request must be submitted with the year 2 report; otherwise, the payment requests can be submitted irrespective of when the ramp up or year 1 report is submitted
- Payment is based on the grantee meeting their performance goals

Documents for Funded Projects

Administrative Manual (details standard procedures such as for project reporting and payment requests) and the Adoption Account Guidelines:

- Adoption Account Administrative Manual
- Adoption Account Guidelines

Forms Required to be Submitted for Reporting and Payments:

- <u>CASF Adoption Account Ramp Up and Year 1 Reporting Template</u> (Word document) for a narrative description of project activities and accomplishments for the ramp up and year 1 periods only
- <u>CASF Adoption Account Completion Reporting Template</u> (Word document) for a narrative description of project activities and accomplishments to be submitted on project completion
- <u>CASF Adoption Account Budget Details and Payment Request (DL and BA projects)</u> Excel workbook to report on the status
 of the reporting period milestones, as well as request payment for relevant expenses to date (for all projects except call
 center projects)
- <u>CASF Adoption Account Budget Details and Payment Request (Call Center projects)</u> Excel workbook to report on the status of the reporting period milestones, as well as request payment for relevant expenses to date (for call center projects only)

Overview

The current reporting forms are located on the Adoption Account website https://www.cpuc.ca.gov/industries-and-topics/internet-and-phone/california-advanced-services-fund/casf-adoption-account

Reporting forms consist of

- A document to record narrative information for your reporting period where you will report on activities (including dates of events)
- An Excel Workbook that records all information pertinent to your payment request

You must also submit supporting documentation

If you submit a payment request outside of the reporting period, please submit your last narrative report (updated, if necessary, to justify payment)

You may submit a report without a payment request; in this instance, there is no need to provide the Excel Workbook

Completing the narrative report

Broadband Adoption Account RAMP UP OR CASF YEAR 1 REPORT

Grantee Name:	Great Harvest Community Center
Project Name:	Home Kunnect Program
Project #:	22ADT022 Adelanto Elementary
Award Amount:	\$75,300
CASF Payments received to	\$0
date (\$):	
Current Reporting Period	10/03/22 - 11/07/22

under penalty of perjury.	

Project Summary

(If applicable) describe any training or computer room set up including setting up any local network and/or devices during the reporting period.

Computer Techs are verifying operational status of refurbished Chromebooks' hardware and software functionality, as well as external wear marks.

Computer Technicians are applying custom configurations to Chromebooks and adding access to Google Docs, Sheets, and Presentations. Adding proprietary graphics to inform clients of contact information for Great Harvest Community Center.

2. (If applicable) describe and software or software/network/online platform set up during the reporting period.

Web Admins are migrating Great Harvest Community Center Training curriculum (English, Spanish) to the Articulate platform for the Articulate 360 Self-paced Portal to allow clients to have access to continuing education and review and retake quizzes for Computer Basics, Internet Basics, MS Word Resume Writing, and MS Excel Basic Budget. They are also creating Google Forms (English, Spanish) for online client registrations for scheduled Digital Literacy workshops.

Completing the narrative report (continued)

 (If applicable) list all outreach events during the reporting period. If submitting for payment, please update Table 8c in the Payment Detail and Budget Request workbook and leave this blank.

Date	Location	# Participants
N/A		

10. Project data - participation (to date):									
Projected number of participants	Number of participants who completed at least 8 hours of instruction or were provided access	Number of project participants who subsequently subscribed to broadband	Number of participants trained who received a device						
N/A									

	11. Project performance support documents (from the reporting period									
No.	DOCUMENT	DOCUMENT SUBMITTED (YES/NO)	COMMENT							
Α	Outreach materials (Broadband Access and Digital Literacy projects)		N/A

Completing the Budget Excel Workbook – Submission

Submit reports and payment request to casf_adoption@cpuc.ca.gov

The time for staff to process a payment may be up to a month (dependent upon whether or not materials submitted are complete).

Once issued to the Fiscal Department, payment may take an additional three weeks.

Adjustments to Project Budgets, Workplans, and Schedule

Modifications can be made to approved budget line items without prior authorization if

- The modifications do not exceed the overall adopted project budget
- Modifications are unrelated to the budget for classroom or take-home devices, including hotspots

Milestone /activity timelines can be made without prior authorization if

 The changes do not cause the project timeframe to exceed the overall adopted project timeframe

While prior approval is not required for these modifications, the applicant must notify the Communications Division by e-mailing CASF_Adoption@cpuc.ca.gov within 30 days of making such changes

Adjustments to Project Budgets, Workplans, and Schedule (continued)

- Grantees must notify the Director of Communications Division as soon as they become aware they may not be able to meet the project deadline
- Send a request (addressed to the Director) to cd_director@cpuc.ca.gov. and
 cc william.goedecke@cpuc.ca.gov and the Adoption Account email address
 casf_adoption@cpuc.ca.gov
 State the reasons for the need of an extension and indicate when you think the project will be complete.

Address to:

Mr. Robert Osborn, Director, Communications Division

California Public Utilities Commission

505 Van Ness Avenue San Francisco, CA 94102

Q & A

Thank you for your participation in the CASF Adoption Account Please email casf_adoption@cpuc.ca.gov with any questions regarding the program requirements.
