The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.

CALIFORNIA ADVANCED SERVICES FUND Webinar and Virtual Office Hours

Thursday July 10, 2025, 10:30 A.M. – 11:30 A.M.

[Join Link](#)

This interactive webinar and Q&A will provide CASF Broadband Infrastructure Account applicants and stakeholders with relevant updates and insights on how to use the California Broadband Map and other datasets to find areas eligible for funding for the upcoming October 31, 2025 application deadline.

The California Advanced Services Fund (CASF) promotes broadband adoption and infrastructure deployment in unserved areas with a goal of providing broadband access to no less than 98 percent of California households. The webinar and virtual office hours will be held exclusively via remote access. Further information and details will be posted soon!
