Agenda Item	Discussion	Action Items/Pending Issues
<p>3 Future Meeting Topics: Participants were asked, what is your idea for future meeting discussion items that will engage our diverse group of stakeholders to collectively work together for every stakeholder's benefit?</p>	<p>Danielle Perry, TruConnect, suggested more open discussion on what CPUC is thinking about doing where stakeholders can respond with their input and have a healthy debate.</p> <p>Ashley Salas, TURN, suggested more discussion on timelines, specifically, Medi-Cal eligibility matching, Program Assessment implementations, and public website improvements. Additionally, Ashley requested updated recordkeeping under the Working Group on the CPUC website.</p> <p>Alex Rodriguez, CGM, requested a discussion on the IT Roadmap once the new TPA is awarded.</p> <p>Josh Guyan, Nat'l LifeLine, requested a discussion on the ACP, which must be addressed through the rulemaking process</p>	<p>Staff will roll out the requested topics in future meetings.</p> <p>Staff will add the internal action item to updated recordkeeping under the Working Group on the CPUC website</p>
