INTRODUCTION

On November 8, 2025, I was assigned to investigate the operations and practices of Pearce Vincent Ivan and I Pearce Victor Isaac doing business as (dba) X O X Limousine Service (hereinafter referred to as X O X Limousine Service) because of a San Francisco International Airport (SFO) Ground Transportation Unit (GTU) complaint alleging that X O X Limousine Service operated during revocation and without an airport permit.

VIOLATIONS

I investigated X O X Limousine Service for the period of March 24, 2025, to March 30, 2025, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and a CPUC General Order (G.O.):

- **Operated as a Charter-Party Carrier (TCP) after expiration of authority, in violation of Pub. Util. Code Section 5379. [1 count]**

Pub. Util. Code 5379 states in part that “After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a charter-party carrier of passengers to conduct any operations as a carrier.”

CPUC’s Transportation and Licensing Analysis Branch (TLAB) carrier records show that X O X Limousine Service’s operating authority was suspended on March 8, 2022, due to failure to maintain adequate Personal Liability and Property Damage insurance [**Attachment 1**]. On June 1, 2022, TLAB records show that X O X Limousine Service was issued a Notice of Expiration of Operating Authority, stating that its operating authority had expired [**Attachment 2**].

On March 30, 2025, X O X Limousine Service was issued Administrative Citation No. [REDACTED] dated March 24, 2025, and a Notice to Cease and Desist by SFO GTU for operating after revocation of its TCP authority [**Attachment 3**]. My investigation disclosed that X O X Limousine Service operated for one day at SFO after its authority expired, not revocation as stated by SFO GTU. However, operating after expiration carries the same consequence.

- **Operated at an airport without an airport permit and failed to follow airport rules and regulations, in violation of Pub. Util. Code Sections 5371.4(b), 5381, and G.O. 157-E, Part 3.02. [1 count]**

G.O. 157-E, Part 3.02 states that “No carrier shall conduct any operations on the property of or into any airport unless such operations are authorized by both this Commission and the airport authority

involved. Consistent failure to comply with safety or traffic rules and regulations of an airport authority may result in suspension or revocation of Commission operating authority.”

On March 30, 2025, X O X Limousine Service was issued Administrative Citation No. [REDACTED] dated March 24, 2025, and a Notice to Cease and Desist by SFO GTU for operating at SFO without an airport permit [Attachment 3]. My investigation disclosed that SFO GTU issued X O X Limousine Service an Administrative Citation for operating one day at SFO without an airport permit.

DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

This is notice from the California Public Utilities Commission (CPUC) that the operating authority listed on this letter is suspended effective **March 08, 2022**.

Failure to maintain PLPD insurance

Unless the suspension was requested voluntarily, if the reason(s) for the suspension are not resolved within 180 days, on **September 04, 2022**, the operating authority will be revoked. Voluntary suspensions may stay in effect without becoming revoked until the operating authority expires.

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain adequate insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.
