INTRODUCTION

On January 31, 2025, I was assigned to investigate the operations and practices of Arjuna Transportation LLC due to it being observed operating a black Mercedes Sprinter van (license plate [REDACTED]) in Napa with a suspended TCP status and with TCP numbers that were too small (not visible from 50 feet) on January 18, 2025. During the period of investigation, on March 22, 2025, Arjuna Transportation LLC was observed a second time in Napa operating a different black Mercedes Sprinter van (license plate [REDACTED]) that was not listed on their equipment list. Both incidents happened during separate joint field operations, both with the Napa District Attorney's Office and the St. Helena Police Department in Napa Valley.

HISTORY OF ENFORCEMENT ACTIONS

- **Prior Case (Impound):** On February 14, 2021, TEB impounded a black Mercedes Sprinter (license plate 71293G2) registered to Arjuna Transportation for operating after suspension of its authority in violation of PUC Section 5379 [**Attachment 1**].
- **Prior Case (Citation, PSG-5938):** On January 9, 2024, TEB served Arjuna Transportation LLC with a \$3,000 citation #T.24-01-001 for failure to follow airport rules and regulations and unlawfully operating without airport authority in violation of PUC Section 5371.4(b) and G.O. 157-E, Part 3.02 [**Attachment 2**].

VIOLATIONS

I investigated Arjuna Transportation from February 1, 2025, to July 17, 2025. The investigation disclosed the following violations:

- **Operated as a charter-party carrier after suspension of their authority in violation of Pub. Util. Code Section 5379 and CVC 14602.9 [1 count].**

Arjuna Transportation LLC's license to operate as a charter-party carrier was suspended on January 15, 2025 [**Attachment 3**]. Arjuna Transportation LLC operated on January 18, 2025 [**Attachment 4**]. The initial investigation revealed that the carrier paid their outstanding

PUCTRA fees on January 18, 2025, immediately after being notified by the Field Enforcement Unit and restored their TCP active status the same day [Attachment 5].

- **Failed to correctly display the Transportation Charter Party (TCP) number on a vehicle in violation of Pub. Util. Code Sections 5385 & 5411.3 and G.O. 157-E, Part 4.04 [1 count].**

On January 18, 2025, a black Mercedes Sprinter van (license plate [REDACTED]) was observed operating with a TCP display too small to be viewed from 50 feet [Attachment 6]. On June 13, 2025, I directed Arjuna Transportation LLC's Operations Manager, Bobby Puri, to correct the TCP display on his Mercedes Sprinter van. On June 30, 2025, I received an email from Mr. Puri with pictures attached showing that the TCP display had been corrected [Attachment 7].

- **Failed to keep the equipment statement current in violation of Pub. Util. Code Sections 5381, 5411, and General Order 157-E part 4.01 [1 count].**

On March 22, 2025, a Mercedes Sprinter van (license plate [REDACTED]) was observed operating while not on the carrier's equipment list. On June 13, 2025, I directed Arjuna Transportation LLC's Operations Manager, Bobby Puri, to add his other Mercedes Sprinter van (license plate [REDACTED]) to the equipment list. On June 25, 2025, Mr. Puri acknowledged and apologized for operating the Sprinter van (license plate [REDACTED]) without listing it on the equipment list [Attachment 8]. I confirmed that the vehicle was added to the carrier's equipment list on July 17, 2025 [Attachment 9].

DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

**CPUC Order of Suspension**

This is notice from the California Public Utilities Commission (CPUC) that the **TCP A CERTIFICATE** listed on this letter is suspended.

The table below lists the reason(s) for suspension; the effective date of the suspension(s); and the date the permit/certificate will be revoked if the reason(s) for suspension are not resolved.

<u>Suspension Reasons</u>		
Reason	Suspension Date	Revocation Date
Failure to pay or report quarterly user fees (PUCTRA) - Q32024	January 15, 2025	April 15, 2025

While voluntary suspensions may stay in effect until the permit or certificate expires, it may be revoked sooner for other reasons including failing to pay transportation user fees (PUCTRA) or failing to submit your annual CHP terminal safety inspection request(s).

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code §§ 1045, 5379). Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.
