INTRODUCTION

On April 17, 2025, Enforcement Analyst Nicholas Bui was assigned to investigate the operations and practices of Glory Days, LLC (hereinafter referred to as Glory Days) because of a consumer complaint alleging that Glory Days operated without an active airport permit at San Jose Mineta International Airport (SJC) and did not have an observed operating vehicle listed in the Transportation Carrier Portal (TCPortal). This responsibility was subsequently transferred to me, Enforcement Analyst Manal Antabli, on August 7, 2025.

HISTORY OF ENFORCEMENT

Enforcement case records show that Glory Days has a history of violating California Public Utilities Commission (CPUC) rules and regulations, as detailed below.

On March 12, 2024, CPUC's Program and Project Supervisor, Eric Hooks, sent Glory Days an Airport Authority Letter for operating at SJC on February 21, 2024, February 23, 2024, February 27, 2024, and March 1, 2024, without an active airport permit [**Attachment 1**].

VIOLATIONS

I investigated Glory Days from March 12, 2024, through April 7, 2025, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and a CPUC General Order (G.O.):

- **Operated at an airport without an airport permit and failed to follow airport rules and regulations in violation of Pub. Util. Code Sections 5371.4(b), 5381, and G.O. 157-E, Part 3.02. [2 counts]**

G.O. 157-E, Part 3.02 states that "No carrier shall conduct any operations on the property of or into any airport unless such operations are authorized by both this Commission and the airport authority involved. Consistent failure to comply with safety or traffic rules and regulations of an airport authority may result in suspension or revocation of Commission operating authority."

SJC Ground Transportation (GT) issued Administrative Citation (AC) # [REDACTED] on February 26, 2025, with a vehicle photo attached [**Attachment 2**] and AC # [REDACTED] on April 3, 2025, with a vehicle photo attached [**Attachment 3**] to Glory Days for operating at SJC without an airport permit. Additionally, SJC GT served two Notices of Violation to Glory Days on February 27, 2025, and April 7, 2025 [**Attachment 4**]. My investigation disclosed that Glory Days operated for two days at SJC without an active airport permit even after being served an Airport Authority Letter on March 12, 2024 (see **Table 1** and **Attachments 1, 2, 3, and 4**).

Table 1 – Dates of Operation at SJC with No Airport Permit

Date of Operation	License Plate No.	Airport	Registered Owner
02/26/2025	██████	SJC	Palo Alto Auto Care
04/03/2025	██████	SJC	Palo Alto Auto Care

- **Failed to update Equipment Statement in violation of G.O. 157-E, Part 4.01. [1 count]**

On May 24, 2025, Glory Days was observed operating a vehicle with license plate ██████ at the Napa BottleRock Music Festival on 1535 Airport Blvd, Napa, CA 94558 [Attachment 5]. The observed vehicle is not listed in the carrier's active equipment list on the TCPortal. My investigation disclosed that Glory Days operated a vehicle with license plate ██████ without updating its Equipment Statement.

DECLARATION

Executed on September 29, 2025, in Los Angeles, California.

SUBJECT: **AIRPORT PERMIT REQUIRED**

Dear Osman Nuri Eker & Serkan Karabacak,

Glory Days LLC was observed conducting for-hire operations on February 21, 2024, February 23, 2024, February 27, 2024, and March 1, 2024, at the San Jose Mineta International Airport (SJC) without an airport permit. A charter-party carrier permit or certificate, issued by the California Public Utilities Commission (CPUC), does not authorize operations on any airport property. This notice is to inform Glory Days LLC that an airport permit is required and a minimum fine of \$1,000 may be issued. Each day of continued violations is a separate and distinct offense. Your action is required immediately.

General Order 157-E, Part 3, Section 3.02, with regards to Transportation Charter-Party (TCP) Carriers, states that "No carrier shall conduct any operations on the property of or into any airport unless such operations are authorized by both this Commission and the airport authority involved. Consistent failure to comply with safety or traffic rules and regulations of an airport authority may result in suspension or revocation of Commission operating authority."

For information on how to obtain the necessary airport permit, please refer to the SJC Ground Transportation Office below:

1701 Airport Blvd, Ste. B-1270 San Jose CA, 95110
(408) 392-3554 or airportgt@sjc.org

Thank you for your cooperation in this matter. Please confirm with me in writing, via email with a cc: to Omar.Teutle@cpuc.ca.gov once you have obtained the airport permit.

Sincerely,

Re: UNPERMITTED GROUND TRANSPORTATION ACTIVITIES

Dear Company Owner,

This is a letter informing you that your company has been observed conducting commercial operations at the San Jose Mineta International Airport. San Jose Municipal Code 25.08.700 requires operators to obtain a permit, issued by the Airport, before conducting commercial activities on the Airport premises.

By copy of this letter, you are hereby notified that you are not authorized to pick-up and/or drop-off passengers or parcels at the Airport and are subject to a \$250 administrative citation for every pick-up and drop-off at the Airport. This includes operations as an Uber Black or Lyft Black.

If you wish to drop-off and/or pick-up passengers, you will need to apply and obtain a Ground Transportation Permit. A 24-hour Infrequent Operator Permit (IOP) for companies doing occasional business at SJC can be purchased from our website and should be displayed by the driver to prevent citation.

Please visit www.flysanjose.com/business/gt-office for information on Ground Transportation Permits and Infrequent Operator Permits.

If you have any further questions, please contact the Ground Transportation office at airportgt@sjc.org.

Sincerely,

[Redacted Signature]
