INTRODUCTION

On September 19, 2025, I was assigned to investigate the operations and practices of Starline Tours of Hollywood, Inc. dba VIP Starline Tours (hereinafter referred to as Starline Tours of Hollywood). This assignment was made after Transportation Enforcement Branch (TEB) staff observed a white 27-seat Ford bus operating during suspension of its authority and the Los Angeles Police Department (LAPD) impounded the bus. This impound occurred at a joint safety compliance inspection with LAPD in Hollywood on September 18, 2025.

VIOLATIONS

I investigated Starline Tours of Hollywood for the period of September 18, 2025, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and a Commission General Order (GO):

- **Operated as a charter-party carrier during suspension in violation of Pub. Util. Code Sections 5379, 5411, 5411.5, and CVC 14602.9 [1 count].**

On August 13, 2025, the California Public Utilities Commission's (CPUC) Transportation Licensing and Analysis Branch (TLAB) sent Starline Tours of Hollywood an Order of Suspension for failure to submit an annual workers' compensation report [Attachment 1].

On September 1, 2025, TLAB sent Starline Tours of Hollywood a second Order of Suspension for failure to maintain Public Liability and Property Damage (PL&PD) insurance [Attachment 2].

On September 18, 2025, the TEB's Field Enforcement Unit was conducting a joint safety compliance inspection with LAPD in Hollywood when TEB staff observed a white 27-seat 2012 Ford E-450 bus (license plate [REDACTED], VIN [REDACTED]) operating with seven (7) passengers. LAPD got behind the bus and conducted a traffic stop. We spoke to the driver [REDACTED], and he confirmed that he was conducting for-hire passenger transportation and the passengers said they would be requesting a refund. TEB Analyst Ming Li issued a Notice to Cease and Desist and an Inspection Observation Report to [REDACTED] and he signed both documents. The LAPD impounded the

bus for operating during suspension of its authority, and the bus was impounded and is being held for up to 30 days per CVC 14602.9 [**Attachment 3**].

DECLARATION

I have read the foregoing and know the contents thereof. I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on September 23, 2025, in Los Angeles, California.

**CPUC Order of Suspension**

This is notice from the California Public Utilities Commission (CPUC) that the **PSC Certificate** listed on this letter is suspended.

The table below lists the reason(s) for suspension; the effective date of the suspension(s); and the date the permit/certificate will be revoked if the reason(s) for suspension are not resolved.

| <u>Suspension Reasons</u> | | |
|--|------------------------|------------------------|
| Reason | Suspension Date | Revocation Date |
| Failure to Submit Annual Workers' Compensation Report (Pub. Util. Code § 5374.6) | August 13, 2025 | November 11, 2025 |

While voluntary suspensions may stay in effect until the permit or certificate expires, it may be revoked sooner for other reasons including failing to pay transportation user fees (PUCTRA) or failing to submit your annual CHP terminal safety inspection request(s).

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code §§ 1045, 5379). Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.
