INTRODUCTION

On May 13, 2026, I was assigned to investigate the operations and practices of Paradise Transportation (hereinafter referred to as Paradise). On April 20, 2026, the Transportation Licensing and Analysis Branch (TLAB) issued Paradise an Order of Suspension for failure to pay or report annual user fees. However, on April 24, 2026, at the Dodger's Stadium Joint Field Operation in Los Angeles, the Transportation Enforcement Branch (TEB) observed that Chief Executive Officer Hovhannes Grigoryan drove Paradise's leased 2025 Chevrolet with license plate number [REDACTED] [Attachment 1]. It was not until April 27, 2026, that TLAB issued Paradise an Order of Reinstatement [Attachment 2].

VIOLATIONS

I investigated Paradise from April 19, 2026, to June 16, 2026, and found violations of the following sections of the Public Utilities (Pub. Util.) Code and provisions of a Commission General Order (G.O.):

- **Operated as a charter-party carrier during suspension of authority in violation of Pub. Util. Code Section 5379 [7 counts].**

On June 1, 2026, I received waybills from Uber Technologies, Inc. (Uber) at [REDACTED] [Attachment 3]. According to Uber's waybills, for all seven (7) days from April 20, 2026, to April 26, 2026, Paradise operated as a charter-party carrier while its authority had been suspended [Table 1].

- **Engaged an employee-driver without evidence of Workers' Compensation (WKCP) insurance in effect and on file with the Commission in violation of Pub. Util. Code Section 5378.1 [1 count].**

The TLAB's records show that Paradise has not declared employees to and has never filed or effectuated a WKCP Insurance Policy with the Commission [Attachment 4]. However, Uber's waybills show that, from April 19, 2026, to April 26, 2026, Paradise

engaged employee driver Karapet Yeghiazaryan to drive a 2026 Chevrolet with license plate number [REDACTED] [Table 1].

- **Failed to enroll a driver in the Department of Motor Vehicles (DMV) Employer Pull Notice (EPN) Program in violation of Pub. Util. Code Section 5374(a)(1)(D), G.O. 157-E, Part 5.02, and the California Vehicle Code (CVC) Section 1801.1 [1 count].**

On May 13, 2026, I conducted a search in the DMV EPN Program using Paradise's requestor code [REDACTED]. The search showed that Paradise had not enrolled employee-driver Karapet Yeghiazaryan in the DMV EPN Program [Attachment 5].

- **Failed to enroll a driver in a mandatory Controlled Substance and Alcohol Testing (CSAT) Certification Program for Pre-Employment Testing in violation of Pub. Util. Code Section 5374(a)(1)(I) and G.O. 157-E, Part 10 [1 count].**

On June 3, 2026, I emailed [REDACTED], requesting a list of all drivers contractually enrolled under Paradise's agreement with New Era Drug Testing, along with their respective enrollment dates. On June 4, 2026, Manager Anna Boyadzhyan responded that employee-driver Karapet Yeghiazaryan had never enrolled in Paradise's contract with New Era Drug Testing [Attachment 6].

- **Failed to produce records, in violation of Pub. Util. Code Sections 5381 and 5389 and G.O. 157-E, Part 6.02 [1 count].**

On May 14, 2026, I emailed Paradise at [REDACTED] requesting Paradise's waybills from April 19, 2026, to April 28, 2026. Initially, I imposed on Paradise a deadline date of May 16, 2026 [Attachment 7]. However, on that same day, I called Paradise at [REDACTED]. During the call, Hovhannes Grigoryan informed me that he received my emailed request and was still discussing it with his manager. On the following day, I emailed and mailed a data request for the same waybills to Paradise via General Logistics Systems (with the tracking [REDACTED]) to Paradise at 608 Tujunga Avenue, Apartment 301, in Burbank [Attachment 8]. In that data request, I imposed a new deadline date of May 25,

2026. But, on May 26, 2026, I emailed Hovhannes Grigoryan a final notice and an admonition that Paradise’s failure to produce responsive information would result in a citation [Attachment 9]. To date, Paradise has failed to produce the requested records.

CPUC Order of Suspension

This is notice from the California Public Utilities Commission (CPUC) that the TCP P PERMIT listed on this letter is suspended.

The table below lists the reason(s) for suspension; the effective date of the suspension(s); and the date the permit/certificate will be revoked if the reason(s) for suspension are not resolved.

Suspension Reasons		
Reason	Suspension Date	Revocation Date
Failure to pay or report annual user fees (PUCTRA) - 2025	April 20, 2026	July 20, 2026

While voluntary suspensions may stay in effect until the permit or certificate expires, it may be revoked sooner for other reasons including failing to pay transportation user fees (PUCTRA) or failing to submit your annual CHP terminal safety inspection request(s).

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code §§ 1045, 5379). Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.

Subject: Data Request

Dear Paradise Transportation:

The California Public Utilities Commission's (Commission) Consumer Protection and Enforcement Division (CPED) Transportation Enforcement Branch (TEB) is currently reviewing the Commission's records for intrastate transportation carriers that are regulated by the Commission.

Public Utilities Code Section 5389 authorizes the Commission and its staff to have access at any time to the land, buildings, or equipment of a charter-party carrier of passengers used in connection with the operation of its business and may inspect the accounts, books, papers, and documents of the carrier.

General Order 157-E, Part 6.01 specifically states in part that every carrier shall institute and maintain in its offices a set of records which reflect information as to the transportation services performed, including waybills, driver records, and safety and maintenance records including copies of all lease and sub-carrier agreements. Such records shall be maintained for a minimum period of three years.

Pursuant to Public Utilities Code Section 5389, the TEB is requesting a review of the Charter-Party intrastate transportation records for Paradise Transportation, Inc. Failure to provide access to records is a misdemeanor punishable by a maximum of \$5,000, where each violation is a separate and distinct offense (Public Utilities Code Section 2110).

We request that you present your documents listed below in electronic form. Please scan the following documents and email a copy to Evan Schwartz at Evan.Schwartz@cpuc.ca.gov by May 25, 2026.

1. Waybills for all intrastate TCP transportation, including transportation performed as Paradise Transportation, from April 19, 2026, to April 28, 2026.

TEB reserves the right to amend, add to or revise this Data Request in the future if necessary.

Any responsive records provided by you that have been properly labeled and submitted as confidential will be treated as such under Public Utilities Code Section 583 (see also General Order 66-D). Confidential documents will not be released to the public except as required by law following a Public Records Request and redaction of confidential material.

If you have any questions, please do not hesitate to contact me at my telephone number or e-mail address listed below.

Evan Schwartz
