INTRODUCTION

On August 24, 2026, I was assigned to investigate the operations and practices of Screamline Investment Corporation DBA Tour Coach Transportation (hereinafter referred to as Tour Coach). This was after a Tour Coach bus was impounded by the Los Angeles Police Department (LAPD) on August 21, 2026, for operating during the suspension of its authority at a joint safety compliance operation at Dodger Stadium.

HISTORY OF ENFORCEMENT

Prior Case, CSE-000739: On October 7, 2025, the California Highway Patrol (CHP) impounded a Tour Coach bus (Utah license plate: [REDACTED]) for operating while suspended.

On March 13, 2026, TEB staff served Tour Coach with a \$8,000 citation (T.2026-03-008) for operating during suspension of its authority. Tour Coach subsequently paid the \$8,000 fine **[Attachment 1]**.

VIOLATIONS

I investigated Tour Coach for the period of August 21, 2026, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and a Commission General Order (G.O.):

- **Operated as a Passenger Stage Corporation (PSC) carrier during suspension in violation of Pub. Util. Code Section 1045. [1 count]**

On July 9, 2026, the California Public Utilities Commission's (CPUC) Transportation Licensing and Analysis Branch (TLAB) sent Tour Coach an Order of Suspension for failure to maintain excess Public Liability and Property Damage (PL&PD) commercial insurance **[Attachment 2]**.

On August 21, 2026, at approximately 7:19 PM, the TEB's Field Enforcement Unit (FEU) conducted a joint safety compliance operation with LAPD at Dodger Stadium when FEU staff observed a white 2014 MCI tour bus (Plate [REDACTED], VIN [REDACTED]) operating during suspension. I spoke to the driver, Ayanna Njeri White, CDL: [REDACTED], and she confirmed that she had transported 11 passengers from the Miyako Hotel in Los Angeles to

Dodger Stadium. FEU staff issued a Notice to Cease-and-Desist and an Inspection Observation Report to Ayanna Njeri White and she signed both documents. The LAPD impounded the bus for operating during suspension of its authority, and the bus is being held for up to 30 days per CVC 14602.9 [Attachment 3]. I spoke with General Manager Gwen Slaughter, who agreed to dispatch a bus with valid authority to transport the 11 passengers following the Dodger game.

- **Operated as a Passenger Stage Corporation (PSC) carrier without evidence of PL&PD insurance coverage in effect and on file with the commission in violation of Pub. Util. Code Section 1040, and G.O. 101-E. [1 count]**

On July 9, 2026, CPUC's TLAB sent Tour Coach an Order of Suspension for failure to maintain excess PL&PD commercial insurance [see Attachment 2].

DECLARATION

I have read the foregoing and know the contents thereof. I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

CPUC Order of Suspension

This is notice from the California Public Utilities Commission (CPUC) that the **PSC Certificate** listed on this letter is suspended.

The table below lists the reason(s) for suspension; the effective date of the suspension(s); and the date the permit/certificate will be revoked if the reason(s) for suspension are not resolved.

<u>Suspension Reasons</u>		
Reason	Suspension Date	Revocation Date
Failure to maintain excess public liability and property damage (PL/PD) insurance	July 09, 2026	October 07, 2026

While voluntary suspensions may stay in effect until the permit or certificate expires, it may be revoked sooner for other reasons including failing to pay transportation user fees (PUCTRA) or failing to submit your annual CHP terminal safety inspection request(s).

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code §§ 1045, 5379). Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.
