Notes

1. Officers of Pacific Gas and Electric Company include those employees in positions with titles of Vice President or above. It does not include employees who function in an officer capacity solely for governance purposes such as assistant corporate secretary and assistant treasurer.
2. Reflects the annual base salary approved for March 1, 2010 or, for new officers, upon hire/promotion.
3. Represents target Short-Term Incentive Plan award based on annual salary at March 1, 2010 or, for new officers, upon hire/promotion. Target awards range from 30% to 100% of base salary, with a maximum payout of two times the target STIP award, depending on the extent to which objectives are met. 2010 objectives were based 50% on operating earnings, and 50% on operating measures. Actual awards were paid in 2011. Note, no awards were paid in 2011 for service as an officer during 2010.
4. Restricted stock units (RSUs) granted in 2010. Shares vest in 20% increments over the first three years following the grant with the remaining 40% vesting in the fourth year following the grant. For the annual grant made on March 10, 2010, the estimated value is based on the average closing price of PG&E Corporation common stock for the five trading days ending March 10, 2010 (\$42.69). The following retention/promotion grants are valued at \$47.56 per unit, the closing price on the November 9, 2010 grant date: 10,510 RSUs granted to the SVP-Regulatory Relations; 840 RSUs granted to the VP; 945 RSUs granted to the VP; and 5,255 RSUs granted to the VP. The 10,510 RSUs granted to the SVP vest on the fifth anniversary of the grant date. Upon vesting, the RSUs settle in net shares of PG&E Corporation common stock.
5. Performance shares granted on March 10, 2010. Performance shares vest, if at all, at the end of a three-year period, depending on PG&E Corporation's TSR relative to its comparator group. There will be no payout for TSR performance below the 25th percentile; there will be a 25% payout for TSR performance at the 25th percentile; there will be a 100% payout for performance at the 75th percentile; and there will be a 200% payout if PG&E Corporation's TSR ranks first. If PG&E Corporation's TSR is between the 25th percentile and the 75th percentile, or above the 75th percentile, award payouts will be determined by straight-line interpolation. The estimated value is based on the average closing price of PG&E Corporation common stock for the five trading days ending March 10, 2010 (\$47.62). Upon vesting, the performance shares settle in net shares of PG&E Corporation common stock.
6. As part of the Executive Stock Ownership Program, eligible executives may receive Special Incentive Stock Ownership Premiums (SISOPs) that are designed to encourage participants to meet certain stock ownership milestones as soon as possible. SISOPs are common stock equivalents that are converted to units in the PG&E Corporation Phantom Stock Fund under the Supplemental Retirement Savings Plan, a deferred compensation plan. The units vest on the third anniversary of the grant date. The SISOPs shown were granted January 4, 2010 and are valued at the closing price of PG&E Corporation common stock on that date (\$44.50).
7. Represents the annual perquisite allowance. The annual allowance ranges from \$15,000 to \$35,000, depending on officer level and is paid in cash, net of taxes. It is intended to cover items such as insurance, dues, membership fees, and security costs.

8. "Other One Time" includes significant payments of a non-recurring nature. The VP-Finance and CFO received \$692,108 pursuant to a separation agreement. The following received lump-sum cash awards: VP \$25,000, VP \$25,000, VP \$25,000, three attorneys \$5,000 each and two attorneys \$6,500 each. The VP received a \$25,000 hiring bonus. Also includes the following non-monetary awards: VP \$195, Sr. Director \$225, and VP \$25.
9. Represents actual base salary received or deferred during 2010.
10. Represents STIP payments received or deferred in 2010 for achievement of corporate or organizational objectives in 2009. Target awards range from 30% to 100% of base salary, with a maximum payout of two times the target STIP award, depending on the extent to which objectives are met. 2009 objectives were based on operating earnings and operational performance measures. In 2010, awards were paid at 164.8% of target.
11. Represents the value realized from stock options exercised during 2010.
12. Represents the value realized from restricted stock and restricted stock units upon vesting on January 4, 2010 and March 1, 2010. Amounts include dividends paid at the time the awards vested.
13. Represents the value realized upon the vesting of performance shares on March 1, 2010. Amounts include dividends paid.
14. Represents the value realized upon vesting of common stock equivalents called Special Incentive Stock Ownership Premiums (SISOPs). As part of the Executive Stock Ownership Program, eligible executives may receive SISOPs that are designed to encourage participants to meet certain stock ownership milestones as soon as possible. SISOPs are converted to units in the PG&E Corporation Phantom Stock Fund under the Supplemental Retirement Savings Plan, a deferred compensation plan. The units vest on the third anniversary of the grant date. Vesting on all or some of the SISOPs may accelerate upon retirement or severance.
15. Represents the perquisite allowance received or deferred in 2010. The annual allowance ranges from \$15,000 to \$35,000, depending on officer level and is paid in cash, net of taxes. It is intended to cover items such as insurance, dues, membership fees, and security costs.
16. "Other One Time" includes significant payments of a non-recurring nature. The VP received \$692,108 pursuant to a separation agreement. The following received lump-sum cash awards: VP \$25,000, VP \$25,000, VP \$25,000, three attorneys \$5,000 each and two attorneys \$6,500 each. The VP received a \$25,000 hiring bonus. Also includes the following non-monetary awards: VP \$195, Sr. Director \$225, and VP \$25.
17. Represents the value of benefits earned during 2010 under defined benefit pension plans. Values were determined by multiplying the estimated average value (16.5%) of benefits earned under the defined benefit pension plans for 2010 by eligible earnings.
18. Represents the maximum company contribution to defined contribution savings plans. Values for employees were determined by multiplying 4.5% by 2010 actual base salary.

19. Represents the average annual cost, per employee, of post-retirement medical benefits. Amounts are prorated for employees that did not work the entire year.
20. Represents the average cost, per employee, of post-retirement life insurance. Amounts are prorated for employees that did not work the entire year.
21. Represents the average annual cost, per employee, for medical, dental, vision and life insurance. Amounts are prorated for employees that did not work the entire year. Regarding disability benefits, PG&E is self-insured. Liabilities are only recorded at the time a disability occurs. As none of the employees included in the section of the report have incurred a disability, no cost is reported here.
22. Represents the cost of executive physicals provided to senior officers.
23. Represents a partial subsidy of health club dues.
24. Other benefits include relocation costs (VP \$30,687, VP \$24,000, SVP \$34,105, VP \$25,285, SVP \$174,485, VP \$44,913, SVP \$36,000, VP \$30,687, SVP \$36,000, VP \$36,824, SVP \$17,550, VP \$167,654, SVP \$42,000, and Sr. Director \$73,748), subsidy for financial services (SVP \$6,750, SVP \$7,154, President \$7,870, SVP \$3,745, SVP \$7,842, SVP \$6,511, Chairman, Chief Executive Officer and President of PG&E Corporation \$7,518, and SVP \$6,021, car transportation services for commute and non-business travel (President \$9,838, and Chairman, Chief Executive Officer and President of PG&E Corporation \$8,579), the sale of vacation (VP \$5,004, VP \$25,665, VP \$19,169, VP \$13,597, SVP-Regulatory Relations \$5,890, VP \$2,377, VP \$2,452, SVP, \$1,923, VP \$25,677, SVP \$3,038, VP \$1,058, SVP \$3,060) and tax restoration payments (VP \$1,319, Attorney \$1,953, Attorney \$2,354, and Attorney \$1,497). PACIFIC GAS AND ELECTRIC COMPANY
PROPORTION OF COMPENSATION PAID DIRECTLY OR INDIRECTLY BY UTILITY CUSTOMERS
FOR THE YEAR ENDED DECEMBER 31, 2010.

In the 2007 General Rate Case (GRC), PG&E did not seek recovery of all of the costs included in "Aggregate Compensation". The GRC request excluded costs for the Long-Term Incentive Program, Special Incentive Stock Ownership Premiums, and officer perquisite allowances. On the "Compensation Received or Deferred" schedule those costs are presented in the columns titled "Proceeds from Stock Options Exercised", "Proceeds from Restricted Stock", "Special Incentive Stock Ownership Premiums Value at Vesting", and "Other Annual". Also, in the 2007 GRC, PG&E requested recovery of Short-Term Incentive Plan awards at target. The actual payout reflected in the column titled "Short-Term Incentive Payout" is approximately 165% of target, so recovery was sought for only 61% of the costs shown in this column. (Previously PG&E has been allowed recovery of only 50% of target.) After subtracting Long-Term Incentive Program costs, Special Incentive Stock Ownership Premiums, and Short-Term Incentive Plan payouts above target, the proportion of "Aggregate Compensation" requested in the 2007 GRC amounted to approximately half. Please note, the approximate 50% figure overstates recovery in that it reflects the GRC request and not actual recovery, which was less. In view of the "black box" nature of the 2007 GRC settlement, PG&E cannot say what percentage of specific pay components were allowed, but it was less than what was requested.
