Data is current as of June 28, 2021. Decimals have been rounded to the nearest whole number.

¹ Pacificorp’s California service territory does not include any jurisdictions that received direct allocations, meaning all of their customers would apply through the statewide HCD portal.

² Bear Valley Electric Service’s territory is entirely located within San Bernardino County, an “Option C” jurisdiction, meaning none of their customers would apply through the statewide HCD portal.

³ Liberty/Calpeco’s service territory includes portions of Placer County, an “Option C” jurisdiction. The rest of Liberty/Calpeco’s service territory consists of eastern portions of rural counties that did not receive direct allocations, meaning customers in these areas would apply through the statewide HCD portal: Sierra, Nevada, El Dorado, Mono, and Alpine Counties.

⁴ Projected Number of Customers Needed to Meet Minimum Participants as directed in ALJ Ruling of April 5, 2021.
