

California Public Utilities Commission

JOIN THE LEGAL DIVISION FOR EXCITING CAREER OPPORTUNITIES

The lawyers at the CPUC represent the People of the State of California and the CPUC in administrative proceedings plus state and federal courts to promote and defend California's policies of consumer protection, renewable energy and carbon-reduction goals, universal and nondiscriminatory service in communications services, and the safety of customers and utility workers. Join Legal Division to litigate and advise on matters as diverse as:

- California & Western electricity markets
- Climate change and renewable energy, including microgrids
- Reliability & resiliency of public utilities
- Just and reasonable utility rates
- Wildfire mitigation
- Net neutrality
- Vehicle and building electrification
- Water conservation
- Autonomous vehicles like Waymo
- Grid-scale energy storage systems
- Water quality regulation
- Equity and social justice
- Ride-hailing companies like Uber & Lyft
- Enforcement and compliance
- Rail and transit safety
