

# CPUC Equity & Access Grant Program

## August 2023

The California Public Utilities Commission (CPUC) launched an Equity & Access Grant Program in July 2023 to provide \$30 million in grant funding opportunities for California Native American Tribes and community-based organizations (CBOs) throughout California.

The program consists of three grant accounts that provide support to Tribes & CBOs to participate in CPUC initiatives and decision-making processes in ongoing efforts to include the needs and voices of underserved and underrepresented communities in the CPUC’s decision-making processes:

### 1) Public Participation (PP) Grant Account:

---

Reimbursement for participation in CPUC activities such as working groups, panels, or focus groups.  
**Amount: \$150 per hour**

### 2) Equity, Engagement, and Education (EEE) Grant Account:

---

Funding to build capacity to educate the community on and engage in CPUC decision-making processes.  
**Amount: Up to \$200,000**

### 3) Clean Energy Access (CEA) Grant Account:

---

Funding for projects addressing access to or education on CPUC clean energy programs.  
**Amount: Up to \$500,000**

### Funding Summary:
