

October 8, 2021

The Honorable Chris Holden  
Chair, Assembly Committee on Utilities and Energy  
State Capitol Building  
Sacramento, CA 95814

Dear Chair Holden:

We write to provide you with this monthly report on actions our respective organizations have taken since the August 2020 extreme heat wave and rotating outages. The actions summarized include those the California Public Utilities Commission (CPUC), California Energy Commission (CEC) and California Independent System Operator (CAISO) have taken since our last monthly report submitted to you on September 23, 2021.

We thank you, again, for the opportunity to provide this report. If you or committee staff have any questions, please do not hesitate to contact any of our respective government affairs representatives: Grant Mack ([Grant.Mack@cpuc.ca.gov](mailto:Grant.Mack@cpuc.ca.gov)), Anna Ferrera ([Anna.Ferrera@energy.ca.gov](mailto:Anna.Ferrera@energy.ca.gov)), or Quentin Foster ([QFoster@caiso.com](mailto:QFoster@caiso.com)).

Sincerely,

A handwritten signature in blue ink that reads "Marybel Batjer".

Marybel Batjer  
President, California Public Utilities Commission

A handwritten signature in black ink that reads "David Hochschild".

David Hochschild  
Chair, California Energy Commission

A handwritten signature in black ink, appearing to read "Elliot Mainzer". The signature is fluid and cursive, with the first name "Elliot" written in a more compact, stylized manner and the last name "Mainzer" written in a more extended, flowing script.

Elliot Mainzer  
President & Chief Executive Officer, California Independent System Operator
