Sean Mackay  
Director of Investigations  
Pacific Gas and Electric Company  
300 Lakeside Drive  
Oakland, CA, 94619

SUBJECT: Closure Letter – Pay Fire

Dear Mr. Mackay,

The Safety and Enforcement Division (SED) of the California Public Utilities Commission reviewed PG&E's actions as part of its investigation of the Pay Fire Incident that occurred at Paydirt Drive and Denim Court in Placerville, El Dorado County on July 6, 2024. SED considered all information provided by PG&E through PG&E's responses to SED's data requests and third-party reports relating to the incident.

This letter serves as notice that based on the information provided, SED has found no violations of Commission General Orders. Therefore, SED's investigation of the Pay Fire Incident is closed. SED may re-open the investigation if additional information becomes available that would modify SED's findings in the report.

Thank you for your cooperation in this investigation. If you have any questions, please contact Mihail Cucu, Senior Utilities Engineer, at 279-842-0157 or by email at [Mihail.Cucu@cpuc.ca.gov](mailto:Mihail.Cucu@cpuc.ca.gov)

Sincerely,

*Nathan Sarina*

Nathan Sarina, Program and Project Supervisor  
Wildfire Safety and Enforcement Branch  
Safety and Enforcement Division
