

## Rulemaking (R.) 20-07-013 Phase II

### Workshop Meeting #1

**MARCH 3, 2022**

**10:00 AM- 4:30 PM**

<b>Purpose:</b>	Safety Policy Division (SPD) staff (Staff) has contracted with a consulting group called Level 4 Ventures Inc. (Level 4) to provide guidance on the Phase II subset of issues in the Order Instituting Rulemaking to Further Develop a Risk-Based Decision-Making Framework for Electric and Gas Utilities (R.20-07-013). The purpose of this Workshop is for Level 4 to present the findings and recommendations of the “IOU Baseline Assessment Report” (Baseline Assessment). The Baseline Assessment summarizes the risk management approach of each of the four IOUs, evaluates their approaches, and makes initial recommendations to address Phase II priorities.
<b>Expected Outcome:</b>	Workshop attendees will have a better understanding of the findings and recommendations found in the Baseline Assessment authored by Level 4. Attendees will also have an opportunity to provide feedback regarding the recommendations found in the Baseline Report that address Phase II priorities.
