

Rulemaking (R.) 20-07-013

Phase 1, Track 1 Technical Working Group (TWG)

JULY 28, 2021

9:30 AM- 12:00 PM

- Purpose:** During the R. 20-07-013 Phase 1, Track 1 June 22, 2021 TWG meeting on foundational elements TWG members requested additional information from the utilities about foundational activities/programs. In response to this request, the utilities provided the additional information and proposed a joint proposal on addressing foundational elements in Phase 1 of R. 20-07-013. The purpose of the meeting is for the utilities to present their joint proposal and for other TWG members to provide counter proposals and/or provide feedback on the joint utility proposal.
- Goal:** The goal of the TWG meeting is to gain feedback on the joint utility proposal and discuss alternative proposals.
- Expected Outcome:** The expected outcome of the TWG meeting is to obtain feedback on the joint utility proposal and discuss alternatives to the joint utility proposal.
