

# California Public Utility Commission's SB 884 Guidelines: June 10, 2025

SB 884 Project List Data Requirements Guideline

California Public  
Utilities Commission

# Stove Safety

- “cooking causes nearly half (49%) of all home structure fires in the US...leading cause of cooking fires is unattended cooking equipment (31%)” - NFPA
- Never leave cooking unattended and keep flammable items away.
- Keep the stove clean and know how to extinguish a grease fire safely.

## Slide 2
