

The background of the slide is a photograph of a bright sun partially obscured by white, fluffy clouds against a deep blue sky. The sun is in the upper left quadrant, creating a strong lens flare effect.

# 2021 Risk Assessment Mitigation Phase (RAMP) Workshop: SDG&E Wildfire Risk September 2, 2021

# Agenda: Address questions pertaining to SDG&E's Wildfire Risk Mitigation RSE Calculations

**Thursday, September 2 (1:00 – 3:00): SDG&E Wildfire/WiNGS.** Address questions submitted by TURN; Field questions from all parties.

## **TURN:**

- How the pre-mitigation risk scores and mitigation effectiveness values are determined and the sources and rationale for the inputs for any calculations;
- How the WiNGS model workpapers relate to the other workpapers that have been provided; and
- How the scope of the proposed mitigations was determined.
