

The background of the slide is a photograph of a bright sun in a blue sky with scattered white clouds. The sun is positioned in the upper left quadrant, creating a lens flare effect. The clouds are wispy and white, contrasting with the deep blue of the sky.

2021 Risk Assessment Mitigation Phase (RAMP) Workshop: SDG&E Wildfire Risk September 8, 2021

Agenda: Address questions pertaining to SDG&E's Wildfire Risk

Wednesday, September 8 (1:00 – 3:00): SDG&E Wildfire/WiNGS. Address questions submitted by CA PAO; Field questions from all parties.

CA PAO (see other attachment for additional detail):

1. WiNGS modeling: Grid-hardening plans
2. WiNGS modeling and workpaper
3. Basis for identified planned funding requests
4. Battery-powered generators vs system hardening initiatives
5. Long-term plans for PSPS
6. 2021 progress in completing various identified mitigations
7. Data regarding PSPS impacts to customers
8. Use of relay settings to mitigate wildfires
9. PSPS notifications
10. RSE calculations
