Subject: Authorized Balancing Account Outstanding Balances ^(A)

(1) Balancing accounts with a quarter-end balance with more than a 10-percent differential from the balancing account’s authorized revenue amount.

RESPONSE: Cal-Am interprets “authorized revenue amount” to be the most recent amount authorized for recovery in Cal-Am’s last General Rate Case (D.18-12-021), or the most recently reviewed balance as designated below. In instances where “authorized revenue amounts” were not provided in the Appendices to D.18-12-021, Cal-Am has relied on the Decision work papers provided by Water Division. The following table lists the accounts with a quarter-end balance with more than a 10% differential from the “authorized revenue amount.”
