Pursuant to GO 133-D §3.4(b), Charter respectfully requests that the months of Jul, Aug and Sep 2020 for Out of Service Repairs Intervals be excluded due to the extraordinary circumstances related to the coronavirus pandemic. On March 4, 2020, California Governor Gavin Newsom declared a statewide State of Emergency which remains in effect to this date related to the impact in California of the COVID-19 coronavirus. As detailed in the attached documents entitled, "Our Ongoing Commitment to Our Customers and the Communities We Serve" and "Keeping You Connected When It Matters Most". Charter has taken steps necessary to serve and meet the connectivity needs of our communities while protecting the safety of our employees and customers. Although out of service repair intervals have dropped below GO 133-D metric standards during the period, under the circumstances, Charter has performed to the best of its capabilities and has extended itself to its subscribers in need. Charter anticipates returning to compliance when the pandemic eases.
