Choice Action Plan Overview
- 3:15 – 4:00** **Public Comment**

NOTE 1: This is the final agenda subject to last minute changes.

NOTE 2: Comments and statements submitted in writing or at the En Banc may be relevant to the proceedings listed on the distribution list for this announcement. It is expected that one or more Commissioners may read these comments and will attend and participate in the En Banc. One or more advisors to the CPUC Commissioners may also be in attendance at the En Banc. Other Commission decision-makers may also attend the En Banc. The En Banc agenda will be publicly noticed on the Commission’s Daily Calendar more than 10 days in advance, so statements made at the En Banc will not constitute an ex parte contact

The California Customer Choice team will post all written comments received by June 11th simultaneously at a later date to the Customer Choice website, at <http://www.cpuc.ca.gov/customerchoice>. Since the comments are being sent directly to the California Customer Choice team and will be made publicly available at the same time, under Rule 8.2(c)(3)(A) of the Commission’s Rules of Practice and Procedure, this public posting will satisfy the need to avoid each individual party to have to separately notice any implicated proceedings.

NOTE 3: No formal action of the Commission will be taken at the En Banc.

NOTE 4: Members of the California Choice Project Steering Committee are: Commission President Michael Picker and Edward Randolph, Director, Energy Division. The California Customer Choice Project team is comprised of Diane Fellman, Policy and Planning Division, Team Leader; Michael Colvin, Policy and Planning Division and Raisa Ledesma Rodriguez, Energy Division. Nidhi Thakar, Chief of Strategy and External Affairs and Rohimah Moly, Office of President Michael Picker are the representatives of the President's Office to the Project.
